

CHOICE 1

CHOICE IS YOURS!

Choice 1 is our suggestion for an entry set assembled from few elements in the Choice range. One two-seater (B1), one long chair (B5), one footstool (BT8), two armrests (H1), one cushion (P1) and two corner cushions (P5).

It can be transformed from a corner sofa to three separate seating elements or a bed for two.

There is a storage space under the seating elements. The covers from the seating elements and from the cushions are removable and machine washable.
